Learn to Swim Levels

Infants classes are attended with a parent/carer for a stimulating movement and play experiences with opportunities to explore and develop their physical abilities and social interaction in the aquatic environment. Children gain self confidence and laying good foundations for water safety skills and awareness in and around the water.

(Max 8 students, Indoor Heated Pool)

STARFISH
PERIWINKLE

6 months – 24 months

MINNOW

24 months – 36 months

Pre-School
Levels
(under 5 years)

School-Aged
Levels
(5+ years)

Class Information

Classes focus on water safety and an introduction to the aquatic environment. These levels are age based and are for first-time swimmers or children that have just graduated from our infant program and are swimming for the first time without a parent or carer in the water.

Classes focus on water safety, introduction to freestyle and backstroke.

Classes focus on water safety, personal survival skills, freestyle with breathing, and backstroke. Introduction to survival backstroke.

Classes focus on water safety, personal survival, freestyle, backstroke and survival backstroke. Introduction to breaststroke and butterfly. (outdoor pool)

Classes focus on water safety, rescue & personal survival, skills, freestyle, backstroke, survival backstroke and breaststroke. Introduction to sidestroke and development of butterfly. Also introduction to tumble turns and competitive starts & finishes. (1 HR) (outdoor pool)

Students with High Needs

More than just swimming lessons, The Y offers classes for participants who have learning difficulties, are intellectually and/or physically challenged, disabled or handicapped, or assessed as requiring a special needs program. Our lessons are conducted in an encouraging and social atmosphere with a specially qualified and experienced swimming teacher.

Our High Needs program is designed specifically to meet the individual student's needs and experience.

Please note our high needs classes do not have make up classes
