In addition, we have a fundraising levy: *funds raised go towards purchase of new equipment*

Levy: \$10.50 per term/per child

Our guideline for class levels and ages – KinderGym & Steps:

Gym bubs	10-24 months	Prep	School prep aged children
Gym tots	2-4 years	Step 1	Children turning 6/7 in the current calendar year
Gym kids	4-5 years	Step 2	Ages 8-12
Gym Play	10 months – 5 years	Step 3-8	By progression

Our KinderGym program

YMCA KinderGym is for walkers to 5 years, designed to develop the whole child and is conducted in a safe, structured, multi-sensory environment where children can explore and practice skills safely in order to increase self confidence and self-esteem

Under our KinderGym banner we also offer Gym Play. This is a casual class for children aged 10 months – 5 years pre-school/not attending school. Our experienced and qualified coaches are on the floor, but it is not a structured class – one of the great benefits of this class is no matter the age of your child you participate with them exploring the gym at their pace. *No bookings required. Just turn up!*

One of the most unique components of our KinderGym program is the physical involvement of both the child and their adult caregiver. Child and adult interaction is a key developmental principle on which the KinderGym program has been developed

Our Steps program

Our gymnasts are provided with a challenging and exciting skills program which develops the foundations of gymnastics. Gymnasts are able to move through the Steps program at their own pace, but will be constantly motivated to reach for new levels of skills and experiences

Each term gymnasts are individually assessed to see how they have progressed with the skills in their current class. Gymnasts are required to master the majority of the skills in their current class before moving on – this generally takes two to three terms

Things to note

- Fees are based on a 10 week term, and will be charged for the term upfront. Adjustment will be made for public holidays and pro-rata for enrolment after the first week of a term
- Classes have a limited number of spaces, to avoid disappointment pre-booking to secure your child's place is advised
